

# DATAMINI

This keyboard has been designed to offer all the advantages of a full size plug-in desktop keyboard in a mini sized package. This feature makes this keyboard particularly suited to applications where desktop space is limited.

The SPR8695 device is available with USB, PS2 or AT connections and is offered as a standard with an ivory coloured case and matching keys.

## Features

Uses quiet but tactile membrane elastomer technology.

Laser printed keytop legends.

Adjustable tilt legs.

AT, PS2 or USB compatible.

Full size key pitch. Non skid rubber feet.
