

Delivery Times

Please read carefully

PC Cubed takes great pride in our next day deliver service. We strive to get the products to our customers on time.

Our cut off time for next day delivery is **1pm** which in the past we have had flexibility on. Due to circumstances changing in Interlink PC Cubed will no longer have this flexibility. To avoid disappointment we would like to inform our resellers of this and draw your attention to our **1pm** cut off time for next day delivery.

Orders placed after 1pm will have a two day delivery turnaround.

**Best Regards
PC Cubed Team**
